DESIGN, CREATE, INSPIRE

All Tavistock products are designed at our offices in the beautiful spa city of Bath. From here we control every stage of the product life cycle.

We're not just about bathroom furniture - we offer a one stop shop as our extensive range of product also includes sanitaryware, taps and showers. For those finishing touches we've got a great choice of mirrors, cabinets, toilet seats and bath panels. Perfect for an instant bathroom revamp.

Our highly experienced team of researchers, developers and technical experts are constantly monitoring new trends and rigorously testing advancements in technology.

With Tavistock, you can count on the highest levels of service and reliability, but what makes us special is our in-house design team. Excellent design is of the utmost importance

to us, so we design all of our products in-house to ensure our perspective remains fresh and innovative. We source outstanding quality materials and craftsmanship so that every Tavistock product not only looks good but fulfils its purpose, time after time.

With extensive guarantees across our entire range, you can choose every Tavistock product with complete confidence.

Tavistock Product Guarantees - Giving you total peace of mind.

REAL LIFE INSPIRATION

We are not only passionate about designing and making bathrooms, we also love to see how they come to life in real homes like yours. If you are looking for further inspiration why not head to our Instagram page to take a look at how some of our customers have transformed their bathrooms with our products.

Be a part of it

Once you have finished your bathroom you can also be a part of our community and upload a photo of your finished project with the #tavistock. You might get to feature in our brochure like some of our followers here:

DESIGN AHEAD OF ITS TIME

Bathrooms have evolved from being a merely a functional space and we are constantly monitoring new trends and rigorously test advancements in technology to ensure we produce bathrooms which stand the test of time. This diligence to innovation has meant we are able to offer many modernisations to our products including:

TOUCH FREE FLUSHING

Ensure maximum hygiene through eliminating the need to touch surfaces with our contactless flush options.

BRING MUSIC TO YOUR BATHROOM

Through the wireless Bluetooth® technology in our mirrors listen to your favourite tunes or book by simply pairing it with your mobile.

MAKING THINGS SIMPLE

Push button shower systems are the perfect family showering solution, the ergonomic controls allow you to change the showering function at the push of a button.

STEAM FREE MIRRORS

Free your bathroom of steamy mirrors through our heated demister technology which prevents the mirror from misting up.

EASI-CLEAN TECHNOLOGY

Rimless technology makes our WCs easy to clean and means that germs have nowhere to hide.

NEW PRODUCT & DESIGN TRENDS FOR 2022

INTRODUCING OUR NEW COLLECTION

Take a look through the latest in Tavistock design innovation, featuring new and updated products across all categories. We cover all the latest trends from black and brass metals, to classic furniture design. I've chosen my particular favourites from this launch, which are highlighted on the next page.

FURNITURE COLLECTION

CADENCE

The Cadence Collection

Sophistication made simple. A clean and refreshingly uncomplicated design, Cadence's angular form perfectly captures understated style. Choose from an extensive collection that includes six sizes in six finishes with a host of handle choices and in-drawer lighting & storage options.

CREATE YOUR BESPOKE CADENCE BATHROOM

Designed to offer you complete design flexibility, our Cadence collection is customisable, allowing you to create a configuration as unique as your home. Choose your unit size, select your choice of basin & pick from an array of contemporary finishes & coordinating handles. Follow the steps below to bring a singular touch to your bathroom scheme.

01

Select the size of your basin

Take stock of the size of your bathroom, considering floor space and unit placement. If space is tight, you might benefit from a smaller wall-hung option or even a compact cloakroom option. There are four wall mounted options in 500, 600, 800 and 1200mm widths as well as a 500mm freestanding unit. For a smaller cloakroom or ensuite solution we have a 400mm wide unit, which will fit perfectly.

02

Choosing your basin style

Define the look of your unit with either a ceramic or Isocast basin. Available in 400, 500, 600, or 800 widths, a ceramic basin offers a streamlined shape cast from a timeless, traditional material. An Isocast basin has a clean, precise, low profile design. Available in 500, 600, 800 sizes, as well as a statement-making 1200mm 'his and hers' basin.

03

Your finish options

Create an artful bathroom with a finish that sets the tone for rest, ritual and relaxation. Carefully considered, each of our six finish options adds a depth and interest that complements the simple styling of Cadence. Available in lustrous gloss or minimal matt finishes, our colour selection ranges from neutral gloss white or light grey, to deep and sophisticated oxford blue or storm grey. And for those seeking something more unique, look no further than our cool gloss spruce, or natural tundra wood.

04

Handle choices

Create a vanity as beautiful as it is functional with your choice from the extensive Cadence handle collection. Keep the whole look minimalist by using chrome or black drawer top handles or opt for a practical wide front-fixed pull option for a fresh take on the industrial look. A matt black handle option will add interest to create a highly personalised vanity. Undrilled drawer fronts allow you to position the handles where you wish, though we think a third of the drawer height down from the top looks good.

05

Useful storage box solutions

Further personalise your unit and declutter your space by adding Cadence solid wood storage boxes to your drawers. Incredibly useful, with five storage box styles including an L-shaped design with optional additional lids. Either choose one of the suggested configurations to fit your unit, or select your own mix to best suit your storage needs.

06

Add lighting for the perfect finishing touch

For the perfect finishing touch, light up your Cadence unit with an elegant lighting kit. The kit lights up the drawer to help you find what you need, or add one of our new Cadence mirrors. Easy to use and operated by simply touching the side of the unit, this sensor is discreetly hidden from sight.

'Create your Cadence'
video

CADENCE FURNITURE

Years of experience and an understanding of exemplary design informs our furniture designs, and our Cadence collection is no exception.

Precise and restrained, this refined unit brings an understated silhouette to our furniture collection which is ideal for the modern home. Available in freestanding and wall hung variations, this versatile design lends a sophisticated edge to your bathroom space. Six size options give flexibility and choice, from a compact cloakroom unit to a statement 'his and hers' double vanity. Available in six of-the-moment colours in gloss, matt, and textured finishes.

Finish Options

Swatch Service

Compass is available in a variety of finishes, unsure which one to pick, why not scan the QR code and order a sample

CADENCE BASINS

Your choice of basin design will further enhance the styling of your Cadence unit. Whether you opt for a ceramic or Isocast basin, all are crafted from durable, timeless materials.

Perfectly proportioned and designed to sit beautifully in your basin unit, our ceramic basin options are available in 400, 500, 600 and 800 sizes. Expertly cast from ceramic, this polished material lends enduring style to your bathroom.

A clean, durable and contemporary alternative to a ceramic basin, our Isocast basins offer a sleek, streamlined surface and a generous wash space. Available in 500, 600, 800 and 1200 widths, Isocast enables the creation of basins with a defined, precise profile.

Basin Options

Ceramic or Isocast Basins
 Choose from classic ceramic or contemporary Isocast basins.
 See page 25

A Personal Touch

CADENCE HANDLES

Individual touches, allow you to create a layered bathroom scheme unique to your home.

Our extensive collection of handles and knobs gives you plenty of choice to complement your furniture unit. For a discreet integrated option, opt for a sleek draw-top handle. A refined matt black handle or modest round chrome pull can add texture and interest to even the simplest of fascia. Clean and contemporary, each of our hardware options combine style with a satisfying grip.

CADENCE LIGHTING

Our strong focus on practical design means that we aim to create products that make daily life that little bit better.

Clever and innovative, each of our units come with the option of convenient in-drawer lighting.* Touch activated, these discreet lighting kits are ideal for illuminating dimly lit and darker corners of your unit, ensuring all your bathroom essentials are visible and easily within reach.

*excluding the cloakroom unit

There are a host of ways to configure your Cadence internal drawer storage. We have put together some suggested configurations below or choose your own set up.

CADENCE STORAGE

We think about the little things in life too. A place for everything and everything in its place. Cadence in-drawer storage keeps everything just where you can find it. Opt for one of the suggested configurations to fit your basin unit or refer to page 27 and specify your own set up.

COMPASS

The Compass Collection

If you're searching for a new direction, then look no further than this super stylish range. Compass has smooth curved edges and a luxuriously deep ceramic basin that's sure to impress, whilst the extra thick doors and robust construction show it is built to last.

COMPASS FEATURES

Basin Units

The Compass range features compact 450mm & 500mm units, which offer the perfect solution of basin and storage ideally suited in cloakrooms and smaller bathrooms. For those who want extra storage space, there's a choice of 600mm and 800mm units, available in either freestanding or wall mounted styles. There is also a very practical 600mm double drawer freestanding unit with plentiful storage.

Compass features a deep ceramic basin giving generous wash space. Fully extending drawer runners make it easy to access to all your bits & bobs.

Soft Close Drawers & Doors

Compass doors are fitted with extra wide opening, soft close hinges offering easy access as well as giving controlled and quiet closure. The drawer units also features soft close drawer runners.

Finish Options

Swatch Service

Compass is available in a variety of finishes, unsure which one to pick, why not scan the QR code and order a sample

COMPASS HANDLES

Compass units are supplied with chrome plated handles as standard but you can add individual touches allowing you to create a layered bathroom scheme unique to your home.

Our selection of handles give you ample choice to customise your furniture unit. A refined matt black handle or modest round chrome pull can add texture and interest to even the simplest of fascia. Clean and contemporary, each of our hardware options combine style with a satisfying grip.

Match 1000mm in Gloss Light Grey

MATCH

The Match Collection

If it's a sleek minimal solution for a small space you need, then look no further than Match. A basin unit cleverly paired with a back to wall unit, topped by an isocast basin with integrated worktop for a seamless contemporary look.

Match 1000mm in Oxford Blue

Match 1000mm in Gloss White

Match 1000mm in Havana Oak

MATCH FEATURES

Units

With both 1000 and 1200 runs to choose from, Match integrates both basin and WC unit into a single, stylish design. Available in 6 finishes with a choice of on-trend painted finishes including oxford blue, gloss light grey, gloss clay & gloss white, or the warmth of either of our contemporary textured wood finishes; tundra or havana oak. Simple chrome detailing and discreet door handles blend together perfectly, making it ideal for any modern bathroom interior. Installation is very easy, with no cutting required to fit the basin. We recommend use of the Tavistock Vortex Cistern see page 192.

Isocast Basin with Integrated Worktop

The Match basins with integrated worktop area are extremely practical. They are manufactured using Isocast, a mineral substrate topped with a tough resilient gelcoat to give a glossy finish which is both durable and easy to clean. The look is seamless and modern. Available in both slim and standard depth configurations.

COURIER

The Courier Collection

This sleek range is the ultimate in streamlined simplicity. Available in wood or white finishes, this versatile range can be used with standard ceramic basins or for a more contemporary look opt for an isocast basin with integrated worktop.

Basin Options
Isocast Basins
 Pair your Courier unit with an Isocast basin and integrated worktop for a seamless look
 See page 64

COURIER FEATURES

Basin Options

For a seamless contemporary look why not finish your Courier bathroom furniture with an isocast basin and integrated worktop. These modern basins are extremely durable and practical, with a tough, easy-clean, glossy finish.

Alternatively use with a conventional semi-countertop basin and laminate worktop. See page 184 for the full range of semi-countertop basins and overleaf on page 64 for laminate worktops, available in three lengths and two finishes.

Floor Cupboard

The Courier floor cupboard is fitted with attractive chrome handle and benefits from a reversible door to allow for left or right handed opening.

Easy Installation

Courier back to wall WC and semi-countertop basin units benefit from removable fascias and plumbing voids for easy installation.

LANSDOWN

The Lansdown Collection

Bring back classic style with Lansdown. Traditional 5 piece doors, grooved side panels & a muted palette of finishes all contribute to the timeless feel.

Vitoria WCs
This Lansdown cloakroom unit is paired with a Vitoria WC & Seat.
See pages 176 - 181

LANSDOWN FEATURES

Basin Units

The generous flat fronted ceramic basins complement the classic styling, while providing ample wash space regardless of size. Available in multiple sizes and styles, from a petite cloakroom unit to a stately 1200 curved or flat-fronted vanity, Lansdown is the perfect choice for bathrooms both small and spacious. The Lansdown range features traditional cabinetry techniques, using 5 piece door construction with tongue and groove side panels. All units feature soft close doors.

Coordinating Units, Bath Panels & Toilet Seats

Back to wall and storage units, a mirror and bath panels complete this beautifully understated range. Soft close wooden toilet seats are also available in coordinating finishes.

Finish Options

Linen White Pebble Grey Matt Dark Grey Mineral Blue

Swatch Service

Lansdown is available in a variety of finishes, unsure which one to pick, why not scan the QR code and order a sample

A Personal Touch

LANSDOWN HANDLES

Our extensive collection of handles and knobs provide the perfect opportunity to add a little personality to your Lansdown furniture unit. Choose from classically styled Cecily, to modern and minimal Hana. They are also a great way to tie your whole bathroom together – consider the colour of your mirror or tap and coordinate accordingly, with handles and knobs available across chrome, black, brass & bronze finishes.

VITORIA

The Vitoria Collection

Bring a touch of classic design to your bathroom with Vitoria. The elegant, timeless styling is the perfect bathroom solution for a period home.

VITORIA FEATURES

Basin Units

The traditional lines of Vitoria basin units create the perfect look for a period bathroom. Choose the freestanding unit with 1 or 2 tap hole ceramic basin or, for a more traditional style, opt for the underslung basin unit. Vitoria basin units are available in the muted tones of linen white, matt dark grey or opt for a classic feel with pebble grey.

Complete the look with coordinating bath panels & toilet seats.

Cloakroom Unit

A 500mm wide slim depth basin unit is also available, ideal for the cloakroom. Team with a coordinating Vitoria WC to complete the look.

FITTED FURNITURE COLLECTION

GUIDE TO CHOOSING FITTED FURNITURE

Tavistock fitted furniture has a wide variety of bespoke features. Follow the guide below for a quick overview and understanding of how to create your very own Tavistock fitted furniture bathroom. A more detailed planning guide can be found on pages 128 - 129.

01

UNDERSTAND YOUR SPACE

Make sure you get a feel for your bathroom layout before you start. Look at any wasted areas which could be maximised with the addition of storage units. It is advisable to install a WC unit in a similar position to the current WC to minimise installation costs. If you do want to change the layout of your bathroom, a good Tavistock bathroom retailer will be able to guide you through the planning process.

02

CHOOSE YOUR BATHROOM STYLE & FINISH

We have two stunning furniture styles to choose from, classic Legacy or sleek contemporary Calm. Legacy is available in 4 finishes, whilst Calm offers 5 options, see pages 102 - 127 for further details. All our Legacy units come with an oak internal carcass, while Calm furniture features a graphite internal finish (with the exception of gloss white finish which features a white carcass). All have been specifically chosen to complement the furniture style.

Contemporary Calm

Classic Legacy

03

MAKE YOUR UNITS BESPOKE

Choose from our wide range of handles & worktops to give your bathroom units a bespoke look and feel.

See pages 130 - 133 for all handle & worktop options.

04

COMPLETE YOUR BATHROOM

Complete the design of your new bathroom by choosing from our collection of stylish basins & WCs as well as coordinating brassware, elegant mirrors & useful cabinets.

04

COMPLETE YOUR BATHROOM

Complete the design of your new bathroom by choosing from our collection of stylish basins & WCs as well as coordinating brassware, elegant mirrors & useful cabinets.

See pages 142 - 327 for options.

05

CHOOSING THE RIGHT INSTALLER

As with any new bathroom furniture, it is advisable to use an experienced and qualified installer. Many Tavistock retailers will be able to offer a design and installation service or recommend a suitable fitter or tradesperson.

LEGACY FITTED FURNITURE

The Legacy Collection

Whatever your bathroom space, big or small, Legacy offers the flexibility and versatility you need to create a unified, traditional look. Standard and slim depth unit options are available. Alongside floor units, a full height unit and wall cupboards there are also coordinating bath panels. Use filler panels to create a framed style and personalise with your choice of worktop, handles, basin, WC and taps.

Door Finish Options

Carcass Finish

Swatch Service

Legacy is available in a variety of finishes, unsure which one to pick, why not scan the QR code and order a sample

MINERAL BLUE LEGACY

Swatch sample service available
See page 328 for details

Upgrade
Add Functionality with a charging station
The subtle unit can be installed into our floor cupboards or wall cabinets and includes both a two-pin charging socket and a USB port

This cooling Mineral Blue finish, paired with Legacy's shaker style design makes for an effortless classic-meets-contemporary feel. Co-ordinate with Lansdown sanitaryware, stylish bronze Sofia handles and a minimal, black-framed Verge mirror to complete the look. Shown in both our standard and slim depth unit styles.

CREATE THE LOOK

Want to recreate this look for your new bathroom? We have created a handy floor plan and useful list of all the items used to design this classically styled bathroom.

Legacy - Slim Depth Furniture

- 600 back to wall WC unit
- Lansdown back to wall WC & seat
- Vortex cistern
- Oval dual flush plate
- 300 tall floor cupboard (oak carcass)
- 600 basin unit (oak carcass)
- Lansdown semi-countertop basin
- 300 floor cupboard (oak carcass)
- Marston mono basin mixer
- Sofia knobs x5
- Oval Verge mirror
- Filler/clad-on end panel x4
- Tall filler/clad-on end panel x2
- 1880 solid surface worktop (arctic white)
- 1500 plinth (worktop & plinth cut to size)
- Recharging station

Bring a touch of creamy, warm neutrals into your space with our easy and understated Flax finish. This subtle, off-white makes the perfect neutral backdrop for any space, enabling you to add your personal touch with your choice of handles, worktop, sanitaryware and accessories. We've chosen our Micra Evo sanitaryware and Sofia handles to add a contemporary edge.

CREATE THE LOOK

Want to recreate this look for your new bathroom? We have created a handy floor plan and useful list of all the items used to design this classically styled bathroom.

Legacy - Standard Depth Furniture

- 600 back to wall WC unit
- Micra Evo back to wall WC & seat
- Vortex cistern
- Traditional dual flush plate
- 300 three drawer floor cupboard (oak carcass)
- 600 basin unit (oak carcass)
- Micra Evo semi-countertop basin
- Marston basin mixer
- Sofia knob x5
- 600 Verge mirror
- Filler/clad-on end panel x4
- 1880 solid surface worktop (arctic white)
- 1500 plinth (worktop & plinth cut to size)

Matt Dark Grey creates real drama and can completely transform the look of your bathroom. Teamed here with the Ion basin and Structure back to wall WC, it strikes the perfect balance between modern and traditional styling. Recreate the depth of natural stone with stunning solid surface carrara marble worktop. Complete this look with the Cheltenham basin mixer and polished Florence handles.

CREATE THE LOOK

LEGACY FITTED FURNITURE MADE EASY

Tavistock fitted furniture is designed to be used in many different bathroom configurations. To make things a little easier our design experts have selected common configurations of our Legacy fitted furniture in each finish, we've helpfully bundled it together with one code and price, so you can go ahead and order without the complexity of working out which additional items you might need. All you need to do is select the left or right hand basin option and finish listed below.

Please note: The code and price does not include handles p130, WC & seat p142 - 195 concealed cistern and flush button p193 - 195 & taps p196 - 233. This allows you the opportunity to tailor the configurations to suit your style. To order these items please see the relevant pages.

THE PERFECT FINISH

Unsure which finish best suits your style? Our swatch sample service is designed to help you make the right choice for your home. If you would like a sample of any of our furniture or worktops then please visit our website and fill in the sample request form.

Alternatively you will find displays of our furniture and colour samples of finishes and worktops at our specialist retailers across the UK and Ireland. To find your nearest showroom visit our website

Swatch Service

Calm is available in a variety of finishes, unsure which one to pick, why not scan the QR code and order a sample

This cool and calming Mineral Blue finish is the perfect starting point to creating a relaxing bathroom space. The minimal door style of our Calm furniture means that you can choose to keep things simple with classic chrome handles and tap, or add your own edge using black or bronze accents. Our seamless integrated basin and worktop helps complete the minimalistic look.

YOUR PLANNING, CHOOSING & ORDERING GUIDE

LEGACY - CLASSIC STYLING

CALM - CONTEMPORARY STYLING

01 FURNITURE STYLE & FINISH

The most important choice when determining the look of your bathroom is door style and finish. Choose from the classic shaker style of Legacy or the ultra-modern simplicity of Calm slab style doors. Legacy is available in 4 finishes, whilst Calm offers 5 options. All Legacy door styles come complete with oak carcasses. Calm door styles feature a graphite carcass (except for gloss white which has a white carcass).

02 COMBINATION & DEPTH OF UNITS

Consider the available space in your bathroom and choose from either standard depth (353mm) or space-saving slim depth (218mm) units. Establish how you use your space and plan your design accordingly; whether yours is a personal retreat or a room for all the family, you can combine sizes to suit your needs and maximise the space in your bathroom.

03 HANDLE OPTIONS

Add the perfect finishing touch to your chosen doors with one of our stylish handles. See page 130 for the full range of options.

04 WORKTOP OPTIONS

Select a worktop from either our solid surface or laminate options. Alternatively opt for an integrated basin and worktop for a seamless look which works equally well with both contemporary and classic bathroom designs. See pages 132 - 133 for further details.

05 BASINS, WCs, CISTERNS, FRAMES & FLUSHING OPTIONS

Choose your preferred basin and WC to match the styling of your bathroom, in addition to a cistern and frame (if required). Complete the look by selecting from our range of flush plate options. See pages 142 - 195.

06 TAP COLLECTION

Choose from our collection of stylish basin mixers, whether sleek and ergonomic or traditionally styled. Complete the look with a coordinating bath filler. See pages 196 - 233 for options.

07 MIRRORS & CABINETS

Choose an illuminated bathroom mirror or, for some additional over basin storage, opt for a cabinet. See pages 278 - 319 for options.

08 PANELS, PLINTHS & BATH PANELS

Clad-on end panels are available for all finishes. They can also be used between units to achieve a framed effect, which works particularly well for the traditional Legacy range. Plinths are available to create a fully integrated floor mounted look.

Alternatively you can wall mount your furniture, should you wish to create a more contemporary styled bathroom. See pages 140.

Finally, choose your bath panel to keep everything coordinated. See pages 322 - 323.

HANDLES

Sleek, contemporary & modern classic designs

Choose the handle that best reflects your chosen bathroom style; whether it's curved and rounded or sleek and contemporary. See page 137 for full product details.

INTEGRATED BASINS & WORKTOPS

Strike the perfect balance between form & function

Expertly moulded into a single piece, our Isocast basins with integrated worktop strike the perfect balance between form and function. This clean and seamless look works equally well with both classic and contemporary bathroom designs.

Integrated basin and worktops are available in standard or slim depths and left or right handed options to suit your plan.

SOLID SURFACE WORKTOPS

Natural stone-like finish

LAMINATE WORKTOPS

High quality & durable

Our range of solid surface worktops combines a seamless style with the look and feel of real stone. The natural stone-like beauty of the solid surface finish makes them a perfect choice for your bathroom.

Solid surface worktops are completely solid and can be easily cut to whatever size or shape your bathroom demands, with no need to bond on finishing strips. Simply cut to the desired profile and sand the edges to a fine finish. Adhesive is also available for joining longer runs or corner installations.

Choose from our range of high quality, durable laminate surfaces. Specifically chosen to complement our range of door finishes. A little inspiration will allow you to use the worktops in imaginative ways to create either a more traditionally styled or distinctly contemporary look.

CHARGING STATION

Add further functionality to your new Tavistock fitted furniture by adding our charging station. The subtle little unit can be installed into our floor cupboards or wall cabinets and includes both a two-pin charging socket and a USB port to keep all your electricals fully charged.

- For use within fitted furniture cupboards and wall cabinets
- Two-pin charging point with rocker switch
- USB charging socket
- Matt black finish
- Cover to hide sockets when not in use
- Screwless mounting
- Requires a mains connection (supplied with one metre flying lead)
- Not recommended for installations in semi-countertop units or drawers
- IP44

CHOOSING YOUR BASINS & WCs

Clean lines, sleek surfaces, forward looking design. That's what you get with our collection of basins and WCs. Whatever your personal style, you'll find something to inspire you - from standard basin, pedestal and WC formats in a range of styles and sizes, to back to wall WCs and semi-countertop basin options, suitable for use with bathroom furniture.

Orbit Standard Depth Semi-Countertop Basin

Vitoria 605mm Basin & Pedestal

Aerial Open Back Close Coupled WC

Micra Evo Back to Wall WC

WC OPTIONS

We have a variety of WC options available and are sure to have the perfect solution for your new bathroom. Close coupled WCs are a conventional style toilet where the cistern sits on top of the pan.

COMFORT OPTIONS

We offer a range of comfort height solutions too. Sitting several centimetres taller than standard WCs they are perfect for taller, less able or elderly users. Our Aerial range also features an extra wide seat, offering total comfort for the user.

BACK TO WALL WCs

For a space saving, minimal, contemporary look choose a back to wall WC, where the cistern is concealed either in a furniture unit or behind a wall.

WALL HUNG WCs

For a clean, clutter-free look opt for a wall hung WC which being lifted off the floor gives the illusion of more space in a smaller bathroom. If considering a wall hung WC you will also need to purchase a suitable WC frame to support it.

TRADITIONAL WCs

If you want to achieve a traditional look go for our timeless Lansdown range or our Vitoria range which also includes high and low level WCs, see page 172 - 181.

BASIN OPTIONS

Our basins come in a range of sizes of both contemporary and classic styles to suit your needs. We have basins suitable for use with or without a pedestal. Our collection also includes semi-countertop basins perfect for fitted furniture and cloakroom options.

Choose Comfort

THE TALLER OPTION

Comfort height close coupled WCs sit several centimetres taller than standard WCs, ideal for taller, less able or elderly users. The extra height of the pan helps keep knees at a more comfortable angle in use as well.

Comfort Height

Standard Height

THE PERFECT FLUSH

Add the perfect finishing touch to your back to wall or wall hung WC with one of our sleek flushing options. We have a wide variety of choice, from a simple yet elegant brushed brass push button to a more hi-tech contactless sensor. For those looking for a classic feel we also offer a traditional styled chrome flush plate.

PEACE OF MIND

All our products are guaranteed against defective workmanship or materials.

Such is our confidence in the quality of our basins and WCs we offer a 20 year guarantee, excluding cistern fittings which have a 5 year guarantee.

For wall hung WC frames the metal frame has a 10 year guarantee, all other components are covered by a 5 year guarantee.

Our toilet seats also benefit from a 5 year guarantee, with the exception of the Vitoria solid oak seat which comes with a 2 year guarantee.

HYGIENIC SOLUTIONS

At Tavistock we have developed a range of solutions that minimise hand contact and ensure maximum hygiene.

If you thought this innovation level could not be applied to your home, be prepared to open your bathroom to a new approach to safety and hygiene. Innovative and practical devices that protect us from the transmission of viruses and bacteria.

CONCEALED CISTERN CONTACTLESS DUAL FLUSH SENSOR KIT

Eliminate the need to touch surfaces and reduce water consumption with our easy-to-install, battery-operated flush sensor, which is designed to replace a conventional flush button.

A choice of discreet decals are included to indicate the sensor button if required.

A quick wave of the hand in front of the sensor activates the reduced flush, whilst holding your hand slightly longer triggers a full flush.

Contactless dual flush sensor kit - TR9014

Smart Design

MAKE LIFE A LITTLE EASIER

Our WCs are designed with convenience in mind. Rimless technology makes our WCs easy to clean and means that germs have nowhere to hide as water is projected around the bowl, ensuring it is completely clean.

CONTACTLESS DUAL FLUSH SENSOR PLATE

Place your hand in front of the black glass-fronted flush plate to activate either a reduced or slightly longer full flush, and the plate lights up to indicate activation. Ideal for in-wall installations.

Contactless dual flush sensor plate - TR9025

CLOSE COUPLED SENSOR FLUSH KIT

With a simple wave of the hand, hygienic, contactless flushing is now here for close coupled WCs. Two sizes are available depending on the size of the flush button hole in the cistern lid.

The button kits have been designed to retro-fit to existing WCs which have paddle operated flush valves. For cisterns which have pneumatic or cable operated flush valves, or where the button screws in directly to the flush valve, then the flush valve will also need to be swapped to our TR9033 valve which has a 2" base.

ANTI-BACTERIAL PROTECTION

An environmentally friendly built-in additive provides a hygienic finish to our Aerial toilet seat which also protects against bacteria, fungi and microbes.

QUICK RELEASE HINGES

Easy to operate quick release hinges are featured on some toilet seats, allowing the seat to be lifted away easily, leaving clear access to clean hard to reach surfaces. Available as standard with all our WC ranges.

MICRA EVO

The Micra Evo Collection

Discover simplicity with our Micra Evo collection. A new take on one of our most popular designs, this range boasts both practicality and style with rimless WCs, quick release seats and generous basins, all in an effortlessly contemporary design.

EASI-CLEAN

Blow the lid on germs with our rimless WC technology. The rimless design makes it exceptionally hygienic and easy to clean, a simple wipe of the rim means there is nowhere germs can hide. Water is projected around the bowl to ensure it is completely clean.

MICRA EVO FEATURES

Semi-Countertop Basin

These simple yet stylish semi-countertop basins are the perfect accompaniment to our fitted furniture. Available in both standard or slim depth to match your fitted furniture, without compromising on the generous wash space.

WC Styles

Our Micra Evo collection offers four WC styles to choose from. Offering open back or fully concealed options in a classic close coupled design. There are also back to wall or wall hung options which are perfect for creating a more minimal look.

Rimless Design

The softly geometric design style of Micra Evo makes it easy to style in any bathroom. Plus, all Micra Evo WCs feature Easi-clean rimless technology which makes them exceptionally hygienic and easy to clean.

Soft Close WC Seats

Enjoy the premium feel of our soft close seats, with your choice of slim or wrap design styles. Both feature quick release buttons for easier removal and cleaning.

LOFT FEATURES

Semi-Countertop Basin

The softly geometric semi-countertop basins combine slim ceramic sides with generous wash space. They look great when used with Tavistock fitted furniture and can be used in 500mm wide units.

Comfort Design

Ideal for those who stand a little taller or have mobility issues, all Loft Comfort Height WCs sit several centimetres higher than standard toilets, meaning less strain on the knees and back.

WCs & Rimless Design

The smooth-sided design of Loft's WCs work with any modern bathroom and makes them easy to keep dust-free. Also available in back to wall and wall hung versions, they all feature Easi-clean rimless technology which makes them exceptionally hygienic and easy to clean on the inside as well.

Soft Close WC Seats

The Loft range comes with a choice of soft close toilet seats. Choose from a two button quick release thermoset seat or a Premium lift off wrap over version. Both versions are top fix for easy installation.

Secure-Fix QR

Adjustable hinge technology that keeps the seat firmly in place. Whilst also making installation simple and easy with the aid of a fitting template.

Optional Flush Button Upgrade
For use with Loft cisterns

ORBIT FEATURES

Wash Basins

The extra thin edged basin design with 1 tap hole for monobloc mixers offers a generous wash space. It can be used with a coordinating pedestal or, for a more contemporary look, wall hung with a simple chrome bottle trap.

WCs

The Orbit close coupled WC is sure to become a design classic with rounded contemporary styling. Also available in back to wall or wall hung versions, they all feature Easi-clean rimless technology which makes it exceptionally hygienic and easy to clean. The short projection designs make Orbit a great choice where space is tight.

Soft Close WC Seats

Orbit WCs have a low profile high quality thermoset wrap over seat fitted with a soft close mechanism with quick release hinges for easy removal and cleaning.

Secure-Fix QR

Adjustable hinge technology that keeps the seat firmly in place. Whilst also making installation simple and easy with the aid of a fitting template.

EASI-CLEAN

Blow the lid on germs with our rimless WC technology. The rimless design makes it exceptionally hygienic and easy to clean, a simple wipe of the rim means there is nowhere germs can hide. Water is projected around the bowl to ensure it is completely clean.

AERIAL

The Aerial Collection

An uncomplicated and ergonomic style, Aerial has been designed to make life a little more comfortable. All Aerial WCs are both taller and wider for optimum comfort, and features an anti bacterial toilet seat. The rimless design ensures they are also easy to clean.

Choose Comfort
 Being both higher & wider than standard WCs all Aerial WCs offer optimum comfort

LANSDOWN FEATURES

Basins

Lansdown semi-countertop basins offer a classic styling choice for your furniture, available with one or two tap holes to suit your preference of contemporary or classic design. Supplied with grate and conventional overflow trims.

Short projection, rimless WCs

Designed for UK bathrooms, Lansdown WC options have a space-saving, short projection design. The timeless styling will work well with both classic or more contemporary bathrooms. Easi-Clean rimless technology makes them exceptionally hygienic and easy to clean, whilst close coupled WC's feature Air Gap technology.

Soft Close WC seat

The Lansdown thermostet WC seat has soft close hinges with a quick release button for ease of cleaning.

Optional Flush Button Upgrade

EASI-CLEAN

The rimless design makes it exceptionally hygienic and easy to clean, a simple wipe of the rim means there is nowhere germs can hide.

QUICK RELEASE WC SEAT

Quickly lift the seat away from the WC with the push of a button, making life a little easier when cleaning your bathroom

VITORIA

The Vitoria Collection

Introducing the elegant and timeless styling of Vitoria sanitaryware.
The perfect bathroom solution for a period home.

Coordinate
 Vitoria works perfectly with Lansdown furniture. For a classic look coordinate with a painted Vitoria toilet seat. see page 181

VITORIA FEATURES

Wash Basins

Vitoria basins are available in both round and square configurations, with one tap hole or 2 tap holes to suit the style of your bathroom, both with chrome overflow cover and coordinating pedestal. A 2 tap hole cloakroom basin is also available. All 2 tap hole basins have provision for a chain stay waste. Choose the chrome washstand for a classic feel.

WCs

You have the option of high level, low level, close coupled or back to wall WCs. High and low level WCs feature chrome plated brass downpipes. Low level and close coupled WCs have full flush and reduced flush operation (6/4L) with a ceramic cistern handle. The high level WC has ornate brackets and a 6L flush.

Soft Close WC Seat

Wooden soft close seats incorporate a chrome plated bar hinge featuring top and underfix options with adjustable fitting. The natural oak seat is solid oak. Alternatively choose painted gloss white or a finish to coordinate with your Vitoria or Lansdown furniture.

* Excludes the solid oak seat which benefits from a 2 year guarantee

STANDARD HEIGHT WCs

The Vitoria WC (Shown above)

Vitoria works perfectly with Lansdown furniture. For a classic look coordinate with a Vitoria painted toilet seat. See page 181.

Choose Comfort

THE TALLER OPTION

The Comfort Height Collection

Comfort height close coupled WCs sit several centimetres taller than standard WCs, ideal for taller, less able or elderly users. The extra height of the pan helps keep knees at a more comfortable angle in use as well.

Oval Flush Button Chrome
140(w) x 80(h)mm
Larger flush interface, easy to install, template supplied

Button - TR9023 **£58.50**

CLOSE COUPLED SENSOR FLUSH KITS

With a simple wave of the hand, hygienic, contactless flushing is now here for close coupled WCs. Two sizes are available depending on the size of the flush button hole in the cistern lid.

The button kits have been designed to retro-fit to existing WCs which have paddle operated flush valves. For cisterns which have pneumatic or cable operated flush valves, or where the button screws in directly to the flush valve, then the flush valve will also need to be swapped to our TR9033 valve which has a 2" base.

The following Tavistock cisterns require flush button kit TR9031.

- Structure
- Orbit
- Lansdown

The following Tavistock cisterns require flush button kit TR9032.

- Micra Evo
- Aerial

If upgrading the Vibe cistern flush button kit TR031, and valve TR9033 are required.

ø38mm close coupled sensor flush button kit
Button - TR9031 **£100.40**

ø48mm close coupled sensor flush button kit
Button - TR9032 **£100.40**

Close coupled flush valve 2" base
Valve - TR9033 **£32.20**

CHOOSING THE RIGHT TAP FOR YOU...

Taps are no longer just a minor detail, they're the finishing touch. The right tap choice must combine the two key ingredients of design and functionality, and with this in mind we have designed a collection of taps which delivers both. There is something to suit all bathroom styles, from sleekly contemporary to charmingly traditional.

We have a variety of taps and styles depending on your bathroom requirements.

BASIN MIXERS & MINI MIXERS

Both contemporary and classic styles are available, with ceramic cartridge technology to give smooth, easy to use action and accurate flow control. For smaller basins or cloakroom furniture opt for a mini mixer to keep things in proportion. For an ultra-contemporary look, go for one of our stylish matt black or brushed brass basin mixers.

BASIN TAPS

Our classically styled tap ranges also offer basin taps, for separate control of hot and cold water.

BATH FILLER, BATH SHOWER MIXER

Fill your bath with a deck-mounted bath filler in a contemporary or classic design and mix hot and cold water from a single spout. Alternatively upgrade to a bath shower mixer. The shower handset is really useful for washing hair or cleaning the bath.

CERAMIC DISC TECHNOLOGY

All of our taps are built to the highest technical specification, including the internal components. With a smooth and easy to use action, the ceramic discs in our basin mixers and bath fillers mean that a simple lift of the handle for basin mixers and a quarter turn for bath fillers takes the tap from completely off to fully on. So practical, and incredibly durable even after years of use.

Design Detail

TAP OPERATING PRESSURE

Plumbing systems can sometimes suffer from poor flow rates. The UK is unique in that many homes are still using the more traditional, low pressure gravity fed plumbing systems commonly found in older properties.

Some manufacturers tend to design taps suitable for modern plumbing systems which can often cause disappointing flow rate when using the taps in UK homes. Tavistock's in-house design team have

recognised this problem and engineered our taps for use with both high and low pressure systems. Most of our taps operate at 0.1 bar or above.

If you are unsure, we recommend you seek advice from your plumber who will advise you on the plumbing system you have and the likely water pressures it can achieve. If pressures are too low even for our low pressure taps, you will be able to increase your water pressure using a

suitable water pump, your retailer or plumber can advise you on this. Please note that all of our taps are also suitable for high pressure plumbing systems.

PEACE OF MIND

All our products are guaranteed against defective workmanship or materials.

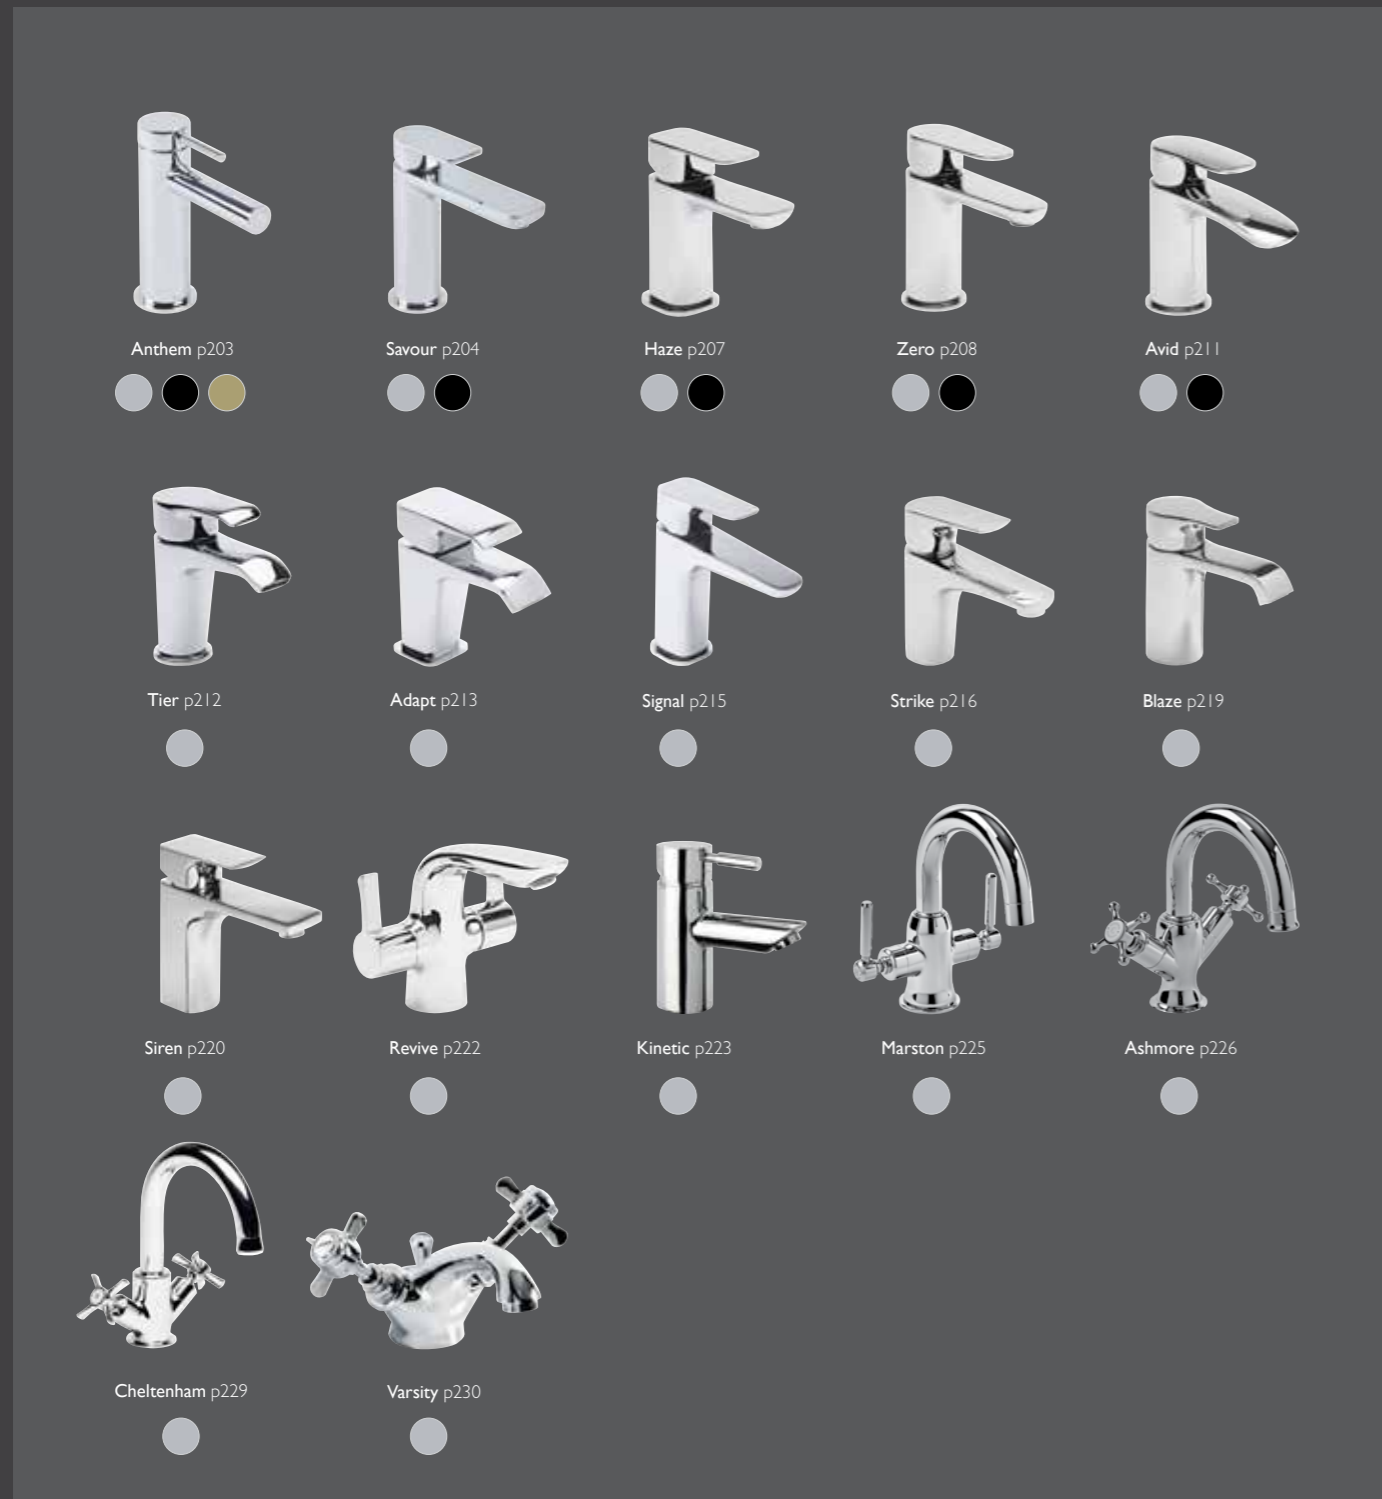

Our taps are manufactured in a closely controlled environment with extensive quality control tests carried out. It is this attention to detail that allows us to offer a 10 year guarantee (including cartridge) with all of our taps.

STYLE GUIDE

Discover our collection of bathroom taps with designs which cover all styles, from modern basin mixer to traditional basin taps to suit a classic bathroom.

WASTES & TRAPS

Our tap ranges are perfectly complemented by our stylish bottle traps and collection of wastes.

Most of our taps are supplied with a click waste. Varsity basin mixer has a pop-up waste which includes a waste outlet, pop-up rod and lifting mechanism. For taps supplied without a waste, we have a few waste options as shown below. Unslotted wastes are for use where there is no integral overflow in the washbasin. If your basin is wall hung choose our modern black or chrome traps, or the more traditional styled version to complement your taps perfectly.

All bath taps are supplied without wastes as it is usual to purchase your waste with your bath. We have a choice of bath wastes with overflow in 2 different lengths depending upon your installation requirements.

SHOWER COLLECTION

TAVISTOCK SHOWER SYSTEMS

Our shower collection simplifies the buying process for you by offering complete shower systems for a ready-to-install solution. They cover a wide range of styles from classic to contemporary and round to square design. We have a choice of valve options, depending on your bathroom styling and the number of showering functions you need.

Choose from our collection of concealed, exposed or bar shower valves. We have a variety of single function (operating a single shower component only, such as a shower handset) or dual function valves (operating two shower components, such as a shower handset and an overhead shower head).

CONCEALED VALVES

If you prefer a sleek, clean look then opt for a concealed shower valve, with the valve hidden in the wall and a cover plate. This has the added benefit of flexible plumbing enabling you to position the valve away from the shower flow, so you can turn the shower on without getting wet until you want to. Classic and contemporary styles are available.

EXPOSED VALVES

An exposed shower valve offers a simple installation solution as the valve showcases all working parts. Perfect for a traditional period style bathroom, making it just the right finishing touch.

BAR VALVES

Our contemporary bar valves are easy to install, with all of the components mounted on the wall. Some of our bar valve shower system options are also available with a useful integrated shelf, a handy spot for your shower gel and shampoo. Look out for the 'Cool Touch' options, designed to stay cool to the touch during use.

PUSH BUTTON VALVE

Our ergonomic valve design provides instant on/off activation for a seamless showering experience. This innovative design allows you to easily control water flow and three luxurious spray settings, all at the touch of a button with a central temperature dial for convenience. All of our push button shower valves are easy to install and can be completely removed to be serviced, without damage to the wall or the need to re-tile.

SAFE SHOWERING

Our shower systems feature anti-scald thermostatic control, which ensures that your preferred water temperature is maintained without risk of unexpected temperature changes due to water usage elsewhere in the household.

Tavistock shower systems also benefit from automatic shutdown should the cold water pressure suddenly fail, guaranteeing you a safe showering experience.

THERMOSTATIC TECHNOLOGY

All of our shower valves are built to the highest technical specification. Our shower valves have been designed to ensure smooth, precise temperature control of the water flow from your shower system.

PEACE OF MIND

All our products are guaranteed against defective workmanship or materials. Such is our confidence in the quality of our shower systems that we offer a 10 year guarantee, which includes the thermostatic cartridge. How's that for assurance?

CONTEMPORARY SHOWER SYSTEMS

Exemplary design, clean lines and utilitarian elegance form the basis of our contemporary shower collections. Each element is engineered with the highest quality components for uncompromising performance and durability. With many styles and showering configurations available, our comprehensive range gives you maximum choice and flexibility.

Guarantee

10 Year Guarantee
on all Tavistock shower systems.
Includes thermostatic cartridge

Make a Statement

AXIOM PUSH BUTTON SHOWERS

Our most intuitive system yet, Axiom combines a sleek, concealed design with ergonomic push-button control that provides instant on-off activation. A central dial provides precise temperature control, while the thermostatic valve prevents scalding to ensure a safe shower for the whole family.

All Axiom shower systems benefit from the following features:

- Available in single, dual and triple function options to best suit your requirements
- Push-button control for convenient on/off activation
- Axiom valve can be mounted vertically or horizontally and can be easily removed and serviced even after tiling, allowing for ease of installation and maintenance

MIRROR & CABINET COLLECTION

CHOOSING THE RIGHT MIRROR

Choosing an illuminated mirror will help enlarge even the smallest of spaces, reflecting light around the room and brightening your day. A host of useful features such as **Bluetooth®** wireless technology, heated demister pads and integrated recharging sockets will make you wonder how you ever managed without one.

LIGHT TEMPERATURE CHANGING TECHNOLOGY

This lets you create the perfect bathroom environment by enabling you to adjust the warmth of your mirror illumination to suit both the task in hand and time of day. Kick-start your day with bright, invigorating daylight. Then choose a natural light to apply make-up and a warm light for sleepy late evening tasks.

Light temperature ranges from 2700K (Warm White) to 6000K (Daylight White). You can also adjust the intensity of the light to be as bright or as dim as you wish.

BRING MUSIC TO YOUR BATHROOM

Catch up with the morning news during your shower or listen to your favourite playlists with **Bluetooth®** wireless technology. Easily pair your device to one of our innovative music mirrors featuring quality integrated speakers.

FOR YOUR CONVENIENCE

A convenient integrated recharging socket, suitable for electric shavers and toothbrushes is included with our Cadence mirror.

STEAM FREE

Many of our mirrors feature a heated demister pad to keep your mirror steam-free. You'll really appreciate never having to wipe it down again!

The heated demister pad heats the mirror to a few degrees above room temperature within 2-3 minutes, preventing the mirror from misting in even the steamiest of bathrooms.

TOUCH FREE OPERATION

Many of our mirrors have an infrared on/off switch which lets you activate the lighting without even touching your mirror. Simply move your hand in front of the sensor to activate.

Important: When mounting mirrors with infrared switches, the sensor must be at least 150mm from an adjacent wall or obstruction to ensure the switch can function properly.

SOMETHING TO SUIT ALL BATHROOMS

We always think about how you may need to use our products, given both space constraints in bathrooms and design choices. We have a wide selection of mirrors in different shapes and sizes so there is bound to be something just right for your bathroom, no matter how big or small.

BATHROOM SAFETY

Tavistock mirrors have been tested for compliance with electrical equipment safety regulations. Our illuminated mirrors are IP44 rated and suitable for use within the bathroom.

CHOOSING THE RIGHT CABINET

If you're looking for additional storage, a mirrored cabinet can help to create a calm, clutter-free space. Tavistock has an extensive collection of cabinets with a host of useful features to choose from. Heated demister doors keep things steam-free and light temperature technology puts you in control of the illumination of your bathroom.

LIGHT TEMPERATURE CHANGING TECHNOLOGY

This lets you create the perfect bathroom environment by enabling you to adjust the warmth of your cabinet illumination to suit both the task in hand and time of day. Kick-start your day with bright, invigorating daylight. Then choose a natural light to apply make-up and a warm light for sleepy late evening tasks.

Light temperature ranges from 2700K (Warm White) to 6000K (Daylight White). You can also adjust the intensity of the light to be as bright or as dim as you wish.

STEAM FREE

Many of our cabinets feature heated demister doors to keep your cabinet steam-free. You'll really appreciate never having to wipe it down again! The heated demister pad heats the mirrored doors to a few degrees above room temperature within 2-3 minutes, preventing them from misting in even the steamiest of bathrooms.

COMPLETE HARMONY

Our cabinets are designed to work well with all basin units and are available in different sizes. Perfect for the way we live today many come loaded with features, such as re charging and USB sockets to help keep your electric shaver, toothbrush and devices fully charged.

PERFECTING THE AMBIENCE

Dimmable lighting has been added to a number of our cabinets to allow you to control the brightness of the light in your bathroom no matter what the time of day or night.

INTUITIVE TECHNOLOGY

Our Slide cabinets feature an intuitive touch slider switch which enables you to adjust both the warmth and brightness of the LED lighting. Simply slide your finger up and down the sensor to operate.

SOMETHING TO SUIT ALL BATHROOMS

At Tavistock we are mindful that bathrooms come in all shapes and sizes. That's why we have ensured our cabinets offer a selection of sizes to suit any bathroom, no matter how big or small.

RECESSED CABINETS

Recessing the cabinet within the wall or partition is a great way to conceal and store all of your bathroom accessories whilst maintaining a clean and clutter free bathroom.

CABINET PRODUCT GUIDE

Discover our collection of cabinets. When additional storage is required, our range of cabinets has the solution. From creating a unique bathroom lighting experience to charging your toothbrush.

SAFETY IN THE BATHROOM

Mirrors Technical Information

Tavistock illuminated mirrors have been designed and tested for compliance to electrical equipment (safety) regulations.

All electrical connections should be made according to the latest national wiring regulations. Illuminated mirrors are suitable for installation in the bathroom within outside zones unless stated. Mirrors which are IP44 water resistance rated are suitable for use in zones 2 and outside zones in the bathroom. Illuminated mirrors are not suitable for installation in saunas, steam rooms, shower cubicles or above a bath tub. Products are only suitable for permanent installation. Installation by a suitably qualified electrician is required.

Cabinets - Electrics

Our illuminated cabinets have been designed and independently tested for compliance to electrical equipment (safety) regulations. They are only suitable for use outside zones 1 & 2 according to the latest IEE regulations. All cabinets are class I insulated and require an earth connection.

Infrared Sensor

All mirrors or cabinets featuring infrared technology must ensure that the sensor is mounted a minimum of 150mm from an adjacent wall or obstruction to ensure correct function.

ZONE 1

Electrical fittings in this zone require separated extra low voltage and a minimum rating of IP44 (splash proof).

ZONE 2

Electrical fittings in this zone require a minimum rating of IP44 (splash-proof).

BATH PANEL & WC SEAT COLLECTION

BATH PANELS

Meridian Isocore

Meridian, Milton & Levant Isocore Panels
Isocore is a revolutionary 100% waterproof material which will not degrade with exposure to moisture.

USEFUL INFORMATION

GUARANTEES

Giving you complete peace of mind

At Tavistock we are extremely proud of our products and our confidence in their quality is such that we offer extended guarantees on many of them, including a 10 year guarantee on all furniture and taps plus a 20 year guarantee on all basins and WCs.

All products are guaranteed against defective workmanship or materials. Length of guarantee depends on the product type - please refer to relevant section of the brochure.

Attention is drawn to the policy of replacing any damaged part with a spare part where possible. Complete exchanges will only be made if damage is extensive. All dimensions are approximate and are quoted within reasonable tolerances.

SWATCH SAMPLES

The Tavistock Collection

Our free swatch sample service is designed to help you make the right finish choices for your home. If you would like a sample of any of our furniture then please visit our website and fill in the sample request form. Alternatively you will find displays of our furniture and colour samples of finishes and worktops at our specialist retailers across the UK and Ireland. QUALITY & SERVICE

Exceptional service is as integral to our business as outstanding product, design and manufacturing. We invest heavily in product improvement and reserve the right to amend specifications at any time if an opportunity to further improve the product occurs to ensure complete customer satisfaction.

The furniture colours shown in this brochure are representative only and can be affected by a multitude of factors such as lighting and surrounding items. If you are unsure we would recommend obtaining a swatch from our website or your local retailer and testing in the intended bathroom area.

Tavistock furniture is designed for use within domestic installations which are adequately ventilated and is not suitable for installation in wet rooms. As with any timber product, bathroom furniture will be adversely affected if it is subjected to excessive moisture. It is strongly recommended that adequate bathroom extractor fans are installed to prevent heavy condensation and all splashes and spillages must be mopped dry as soon as possible. All exposed or cut surfaces must be sealed with a suitable varnish or silicone sealant to prevent blowing. If this is not done, all warranty claims will be void. In particular, silicone sealant must be used around basin and worktop joints and around all edges of bath panels and plinths. All electrical products should be installed by an approved electrician inline with current wiring regulations.

PRICING

All prices are quoted inclusive of VAT which will be charged at the rate applicable on the date of despatch. The prices charged will be those ruling at the date of despatch and Tavistock cannot be held responsible for any errors or omissions to products or prices.

All products and prices shown in this brochure are correct at the time of press.
