R2

At R2 we like to think we know a thing or two about bathrooms - we've been designing them for over 40 years.

Founded in the beautiful City of Bath, we have an in-house team of experienced product designers and an excellent reputation for customer service.

We know value is important to you but that shouldn't be at the expense of good design. That's why our furniture features fully coordinated pieces, made from quality materials, with soft close doors and drawers. Our taps are of the highest quality brass and are beautifully chrome plated. Our illuminated mirrors are IP44 rated for safe bathroom use.

So whether you're looking for a contemporary wall mounted bathroom or a fully integrated solution, look no further than R2.

# R2 new product for 2023

## introducing our new collection

Take a look through the latest in R2 design innovation, featuring new and updated products across all categories. We cover all the latest trends from black and brass metals, to classic furniture design. Here are some of our particular favourites from this launch.

Additional on-trend finishes

Status basin unit with countertop basin

Hide fitted furniture offers a simple and sophisticated furniture option with sleek, handleless doors, perfect for creating a clean and minimal look in the bathroom.

10

### status furniture

Our Status range of furniture strikes the perfect balance between classic and contemporary design, available in four finishes with a selection of handles to make it your own.

236

### stealth mirrors

New diffuser technology within the black mirror frames gives the illusion of a solid metal frame until the lighting is turned on and the diffuser turns white.

126

### coast sanitaryware

The epitome of style and simplicity. This range boasts both practicality and style with rimless WCs, quick release seats and generous basins.

174

### taps & showers

Designed to deliver the finishing touch to your bathroom, our brushed brass and black brassware are not only beautiful, but superbly engineered.

### close coupled cistern sensor flushing

With a simple wave of the hand, hygienic, contactless flushing is now here for close coupled WCs.

See page 171 for more information on compatible R2 cisterns.

## platform features

### Basin units

A versatile collection of bathroom furniture available in four sizes and two styles, with soft close drawers and doors. Practicality is at the heart of this design, with plenty of accessible storage space. A great example of modernist simplicity.

### Finishes

The simple lines of the Platform unit are complemented by a palette of on-trend painted finishes. Keep things light with gloss white or light grey, go for the sophisticated subtle green hues of willow, or add a dramatic note with rich midnight grey.

### Basins

Platform's ceramic basin echoes the uncomplicated design of the units and provides a generous wash space. Or for a truly luxurious look, opt for one of our six stylish countertop basins, with three countertop finishes options to pair with them offering a multitude of possible combinations.

### Handles

Elevate this pared-back basin unit with your choice of two handle styles, available in matt black, brushed brass or chrome. A recessed option maintains the minimal aesthetic, while the pull handle design is very tactile and easy to use. **Please note:** Brushed brass finish is only available for recessed handles.

### In-Drawer Storage Options

Useful additional storage sets, including trays, open boxes and boxes with lids, allow you to make the most of your drawer space. Each element is crafted from solid wood.

## halcyon features

### Basin units

Those seeking a classic style for their bathroom need look no further. Halcyon freestanding basin units are the perfect option with a choice of 500 or 600mm widths, as well as a 400mm cloakroom unit.

### Finishes

Available in natural white, stone grey, midnight grey, powder blue or nordic green, these muted tones complement the elegant shaker design and have timeless appeal.

### Basins

Halcyon's ceramic basin perfectly complements the classic styling of the units, and are available with one or two tap holes.

### Handles

Halcyon is supplied with classic furniture knobs. To customise your look further any of the R2 handles can be purchased separately, for example the Stamford pull handle shown above, or the Washington brushed brass shown on the opposite page. See page 116 for handle pricing details.

### Coordinating items

Add the perfect finishing touch with a Halcyon mirror or bathroom cabinet. There is also a matching WC unit available for use with a back to wall WC.

## contour features

**Basin units**  
Contour's flat fronted doors are framed by curved, contemporary edges which will fit in anywhere. Offered in wall mounted or freestanding styles, Contour comes in a multitude of sizes and formats to suit any bathroom plan. All units have a choice of chrome or matt black handles.

**Basin Options**  
Fully customise the look of your Contour furniture by choosing from one of our many basin options. The original Contour basin offers a slim edge with a modern curved design. Or for a truly luxurious look, opt for one of our six stylish countertop basins, with three countertop finishes options to pair with them.

**Handles**  
Contour units are supplied with curved chrome handles as standard. Upgrade these handles to a stylish matt black finish, or opt for our alternative design handle also available in chrome or matt black.

**Coordinating storage and WC units**  
Complete the look and add extra storage at the same time with Contour's 350mm wall column, which combines 2 storage areas and a single shelf. For something a little smaller, coordinating single or double door mirrored cabinets are also available. Finish it all off with a matching WC back to wall unit.

## type features

### Basin units

The versatility of the Type range is paramount, with a choice of 5 styles in 500mm or 600mm widths to suit your needs and bathroom space. Offering either wall mounted or freestanding wash units, including a useful 3 drawer option, there is also a coordinating storage wall column and back to wall WC unit.

### Finishes

Type is available in 6 on-trend finishes. Ranging from minimal gloss white, light grey or stone grey, to unique basalt wood, moody dark blue, or fresh nordic green. There's a perfect colour option for everyone.

### Basin options

Fully customise the look of your Type furniture by choosing from one of our many basin options. Compatible with our new and improved deeper Type basin, or stylish Status basin. For a truly luxurious look, opt for one of our six stylish countertop basins, with three countertop finishes options to pair with them, offering many possible combinations.

### Handles

A sleek chrome drawer or door top handle completes the minimal look of this furniture range perfectly that comes pre-installed to unit. You can also upgrade yours to a stylish matt black finish instead.

### alto features

#### Basin unit

Slim and sophisticated, our Alto cloakroom unit has a clean, modern aesthetic versatile enough to suit the smallest room in any home. As the soft-close door and basin are both reversible, this compact basin unit will easily fit in where it is needed.

#### Contemporary basin

A compact yet generous ceramic basin cleverly maximises available hand wash area. Furthermore, being reversible, it can be installed to have the basin mixer to the right or the left to suit.

### handle options

Alto units are supplied with chrome handles as standard or you can switch up the style by choosing the matt black handle option. Available to purchase separately.

### drive features

#### Basin units

At only 400mm wide the Drive freestanding or wall mounted basin units are perfect for cloakrooms. Doors feature soft close hinges for a luxuriously quiet, controlled movement and are hinged from the left hand side.

#### Contemporary basin

The Drive basin is made from Isocast, a tough, resilient gel-coated resin which is extremely durable and easy to clean. The simple slab shape suits the units perfectly, and incorporates a single tap hole offset to the side.

#### Coordinating storage and WC unit

Additional storage is offered with a 400mm mirrored wall cabinet, available in coordinating finishes. Go for a fully integrated look by using one of our matching back to wall WC units.

## countertop basins

A growing trend in highly stylish bathrooms, countertop basins give your bathroom a unique and modern feel. When placed on a worktop, these oval, square or rectangular basins provide a clean uncluttered finish. A distinctive and attractive alternative to conventional bathroom basins.

## worktops

Define the overall style of your unit further by choosing an aspirational solid surface worktop to complement your countertop basin. The natural stone-like beauty of our bianco marble, dark quartz and arctic white creates a striking effect.

## strata solid surface worktops

Strata worktops are an ideal solution for those wishing for the aspirational look and feel of solid surface worktops, at a price to make it reality. Made from a solid 25mm sheet, the natural stone-like beauty of strata solid surface tops combined with a square edged profile makes them a perfect choice for your bathroom.

Being solid, strata can be cut to whatever size or shape your bathroom demands using standard woodworking tools, with no need to bond on finishing strips. Simply cut to the desired profile and sand down the end to a fine finish.

## laminite worktops

High quality and very durable, the R2 range of laminate worktops has been specifically chosen to complement stow & muse furniture units.

## clad on panels

Clad on panels are available to allow you to create a framed look with Stow or Muse furniture. Alternatively cut to fit small voids and run a worktop over for a seamless wall to wall look.

## infill / clad-on end panels

5 year guarantee

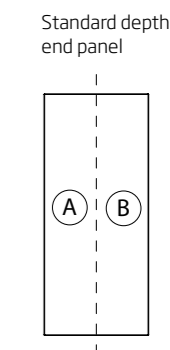

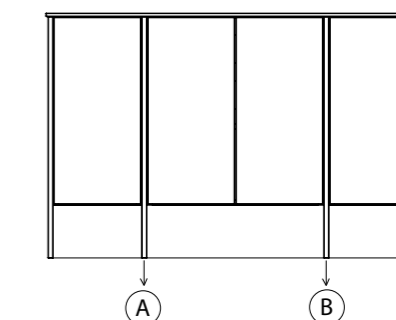

### Universal Filler / Clad-On End Panel

- Use as a filler panel or full height clad-on end panel
- Use to give a framed look to stow and muse furniture
- Cut down for slim depth end panel applications

| Panel Finish  | Standard Depth |
|---------------|----------------|
| White         | AF3561.W       |
| Stone Grey    | AF3561.ST      |

## langford sanitaryware

### langford features

#### Basins

Langford semi-countertop basins offer a classic styling choice for your fitted furniture, available with one or two tap holes to suit your preference of basin mixer or pair of taps. Both basins have options to work with standard or slim depth furniture. Furthermore, the basins will fit within 500mm wide furniture units, meaning that you can build a compact furniture run if space is short.

#### Short projection, rimless WCs

All Langford WC options have a space-saving, short projection design. The timeless styling will work well with both classic or more contemporary bathrooms, with standard or fully enclosed close coupled WCs available, or a back to wall option for fitted furniture. Easi-Clean rimless technology makes them exceptionally hygienic and easy to clean internally.

#### WC seat

The Langford thermoset WC seat has soft close hinges with quick release lift off for ease of cleaning.

Elegantly timeless design means Langford sanitaryware can work equally well with both classic or more contemporary bathroom plans, with options to go with fitted furniture too.

## serenity features

### Basin

This semi-countertop basin offers generous wash space within a contemporary design and features a single tap hole. There is an option to suit both standard and slim depth fitted furniture (shown above)

### Rimless WC options

Choose a great looking standard close coupled WC, or fully enclosed back to wall design which gives a sleek appearance, making it as nice to look at as it is easy to clean. Or opt for the back to wall WC should you wish to conceal the cistern. The Easi-Clean rimless design makes it exceptionally hygienic and easy to clean internally as well.

### Quick release, soft close WC seats

The slim thermoset toilet seat gives a discreet contemporary finish to the WC, or opt for a wrap over style seat as an alternative. Both styles benefit from soft close hinges and quick release lift off for easy cleaning.

## contactless WCs ...

All serenity close coupled WCs are available with a contactless flush

## radar features

### Basins

The contemporary thin edged styling offers generous wash space and has a single tap hole and overflow. Semi recessed and pedestal basin choices are available. Furthermore, the pedestal basin can also be wall hung.

### Rimless WC options

All Radar WCs have an Easi-Clean rimless design which make them exceptionally hygienic and easy to clean internally as well. Choose a great looking standard close coupled WC, or the fully enclosed back to wall design which has a sleek appearance, making it as nice to look at as it is easy to clean. Alternatively, opt for the wall hung or back to wall WC options, to conceal the cistern and keep the look even more minimal.

### Quick release, soft close WC seats

The slim thermoset toilet seat gives a discreet contemporary finish to the WC, or opt for a wrap over style seat as an alternative. Both styles benefit from soft close hinges and quick release lift off for easy cleaning.

If you are seeking a designer look for the bathroom, then this range should definitely be on your radar with its clean lines, and sleek features, it delivers on both these design cues and more.

## debut sanitaryware

### debut features

#### Versatile

Choose from a wide choice of great looking WC options to complement your Debut basin and pedestal or furniture. Featuring close coupled, back to wall and wall hung pans, giving you a full range of flexible WC options to fit your space.

#### Comfort height WCs

Debut offers a full range comfort height WCs. These sit several centimetres taller than standard WCs, ideal for taller, less able or elderly users. The extra height of the pan helps keep knees at a more comfortable angle in use as well.

#### Soft close WC seats

The soft close WC seats incorporate top fix, quick release hinges allowing quick and easy installation. A contemporary slim version is also available.

Strong lines and bold styling characterise our debut sanitaryware. This smart range combines the great looks, practicality and comfort height options, along with a wide range of coordinating basins.

## flushing options

## flushing solutions

### contactless dual flush sensor

hygienic  
design

- Provides a touchless flush, with just the wave of a hand
- Dual flush
- Best used with concealed cisterns in furniture
- Powered by 4 AA batteries (low battery power alarm)
- Battery life in excess of 1 year (Normal domestic conditions, good quality batteries)
- Discreet decal included to indicate sensor location
- Works through surfaces upto 25mm thick (including ceramic tiles, fascias & worktops)

Sensor - TR9014  
£158.50

### contactless sensor dual flush plate

Place your hand in front of the black glass-fronted flush plate to activate either a reduced or full flush.

hygienic  
design

- Recommended for in-wall installations
- Contactless flushing
- Powered by 4 x AA batteries (easy to change, no tools required)
- Low battery power alarm (battery life in excess of 1 year)
- Dual flush
- Manual override flush
- Illuminates on operation
- Use on wall hung frames and In-wall cistern (not compatible with slim depth furniture)

Contactless Sensor Dual Flush Plate  
Black Finish TR9025  
£177.30

### touch operated sensor dual flush plate

The lightest touch of the black glass-fronted flush plate is all that is required to initiate the flush, and the plate lights up to indicate activation.

- Recommended for furniture or lower height installations
- Touch operated to prevent inadvertent use
- Powered by 4 x AA batteries (easy to change, no tools required)
- Low battery power alarm (battery life in excess of 1 year)
- Dual flush
- Manual override flush
- Illuminates on operation
- Use on wall hung frames and In-wall cistern (not compatible with slim depth furniture)

## close coupled cistern flushing solutions

### close coupled sensor flush kits

With a simple wave of the hand, hygienic, contactless flushing is now here for close coupled WCs. Two sizes are available depending on the size of the flush button hole in the cistern lid.

The button kits have also been designed to retro-fit to existing WCs which have paddle operated flush valves. For cisterns which have pneumatic or cable operated flush valves, or where the button screws in directly to the flush valve, then the flush valve will also need to be swapped to our TR9033 valve which has a 50.8mm base.

The following systems require flush button kit TR9031.

- Langford
- Radar
- Debut

# showers

## smart, simple showering

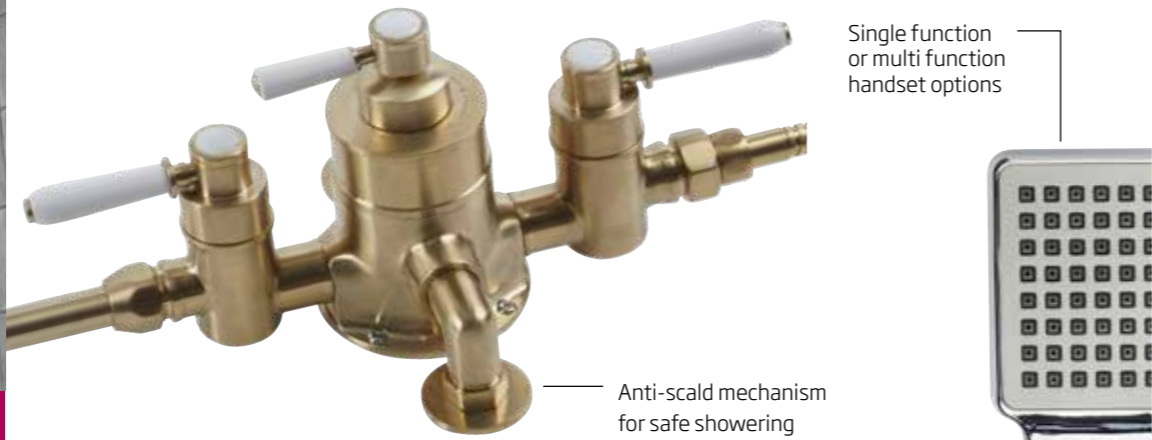

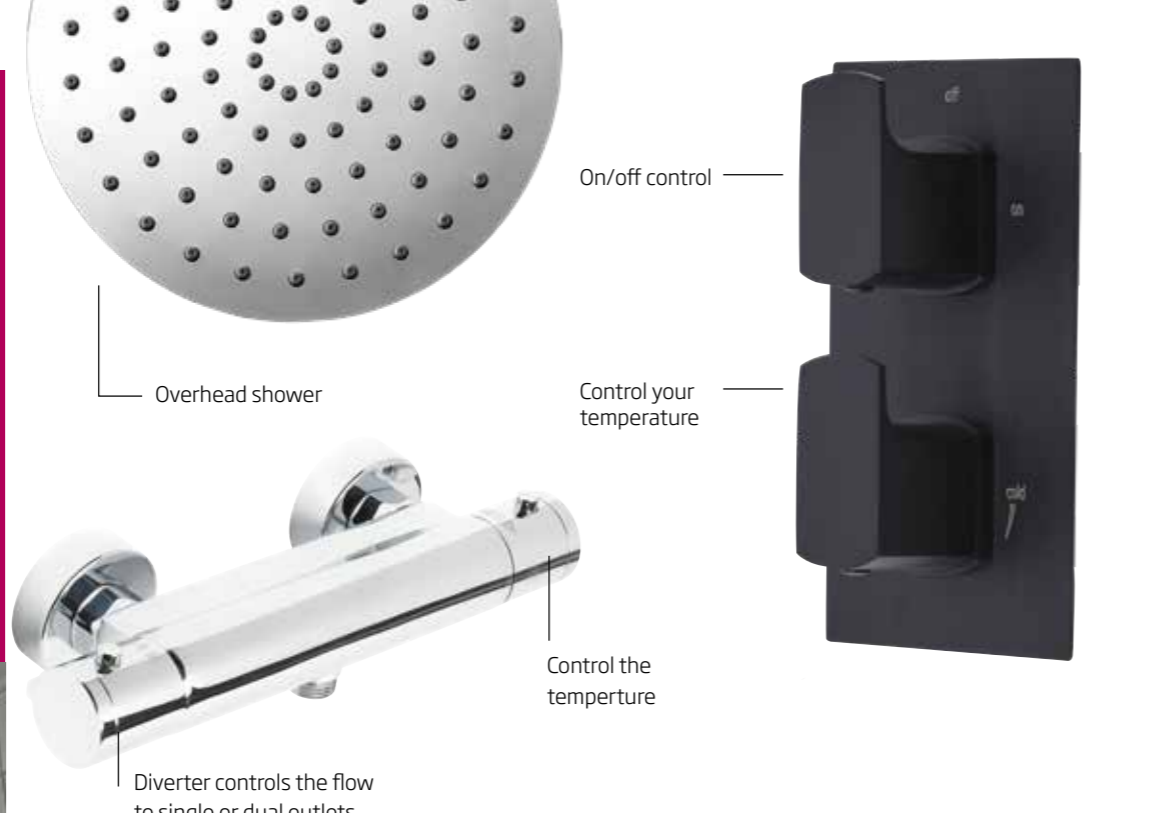

In developing our showering collection we have created a range of beautiful systems which bring performance and beauty together perfectly, combining style and engineering.

Choose from our array of concealed, exposed or bar shower systems. We have simple single function systems or dual function systems, which control 2 water outlets.

# save water in the bathroom

Our optional regulators are an easy, cost effective way to help save water in the bathroom. Simple to install, the regulators can be used with selected R2 showers to reduce your water consumption and so help save money too.

PVD hardwearing & scratch resistant coating. Brushed brass finish only

5 year guarantee on shower accessories

10 year guarantee includes thermostatic cartridge

### push button systems

# stealth mirrors

Discover invisible lighting hidden behind Stealth's diffuser technology. On our black finished option when the product is off, the mirror appears to have a solid black frame but once turned on, the functional, inward facing lighting illuminates your face. Alternatively, our brushed brass Stealth mirrors offer a white diffuser which provides bright lighting in a contemporary frame that pairs perfectly with our brassware. A heated demister pad is also included on all models.

# flow cabinets

The Flow cabinet offers bright lighting, double sided mirror doors with heated demister and touch sensor controls. With mirrored sides to reflect your wall finish and a dark grey interior with smoked glass shelves the cabinet has a contemporary aesthetic. Inside there is ample storage complemented by a two-pin charging socket to keep your toothbrush fully charged. For a more subtle look, the mirror sides can be removed to allow a recessed installation for those who want to hide their storage away. Available in single, double, and large double door sizes.

## quality & service

As one of the UK's largest suppliers of bathroom products, we set very high standards in design, manufacture and service. We also invest heavily in product improvement and innovation to ensure complete customer satisfaction.

Attention is drawn to the policy of replacing any damaged parts with a spare part where possible. Complete exchanges will only be made if damage is extensive.

We reserve the right to amend specifications at any time if an opportunity to further improve the product occurs. All dimensions quoted are within reasonable tolerances.

R2 furniture is designed for use within domestic installations which are adequately ventilated, and is not suitable for installations in wet rooms. As with any timber product, bathroom furniture will be adversely affected if it is subjected to excessive moisture. It is strongly recommended that adequate bathroom extractor fans are installed to prevent heavy condensation and all splashes and spillages must be mopped dry as soon as possible. All exposed or cut surfaces must be sealed with a suitable varnish or silicone sealant to prevent blowing. If this is not done, all warranty claims will be void. In particular, silicone sealant must be used around basin and worktop joints and around all edges of bath panels and plinths. All electrical products should be installed by an approved electrician in line with current wiring regulations.

All roomsets have been photographed to provide an artistic impression only.

## pricing

All prices quoted are inclusive of Value Added Tax at 20% but will be charged at the rate applicable on the date of despatch. We cannot be held responsible for any errors or omissions to products or prices.
